## Update on Saint Winifred Campus and Church

As you may recall from previous bulletin announcements and meetings, a couple years ago Bishop Zubik gave permission to the founders of South Hills Catholic Academy (SHCA) to open an independent Catholic school in the South Hills, and they chose to house the new school on the Saint Winifred campus. The parish entered into a lease agreement with the Academy on July 1, 2021, and the Academy opened its doors to students on September 1, 2021. The Academy has also purchased the former Saint Anne School building on Willow Avenue.

- The Academy has met with great success and currently has 385 students enrolled. On a daily basis they use the school, church and former convent buildings on the Saint Winifred campus.

Since July 2021 SHCA has paid for every expense at the Saint Winifred campus (e.g., utilities, insurance, landscaping, snow removal, etc.) and has also made many substantial improvements to the buildings and property. Without the Academy's financial backing of the Saint Winifred campus, there's no way the parish would be able to afford to properly maintain it. We simply do not have adequate income to sustain two campuses for our parish.

- We are now at the point where SHCA is prepared to purchase the Saint Winifred campus from the parish. To that end, in the name of our parish, I have requested permission to begin the final process of petitioning Bishop Zubik to relegate Saint Winifred Church to "profane but not sordid use". If the petition is granted, it means that the church would no longer be a church of Saint Paul of the Cross Parish.
- If Bishop Zubik accepts the petition to close Saint Winifred church, I would then immediately request him to establish it as a chapel for the school. The chapel would be owned by the school and would give the school children a place to pray and celebrate Mass.
- If permission is granted to officially close Saint Winifred church it will also lead to the sale of the entire Saint Winifred campus to SHCA.

- It is important to note that should a sale be completed, the parish will retain the right to conduct one Sunday Mass and occasional funerals in the chapel. All other sacraments (baptisms, weddings, confessions) will be celebrated in Saint Anne church.

Further, *should the parish choose to*, we will retain the right to use the Saint Winifred campus to house our food pantry and Faith Formation Program (CCD classes) and use the rectory as a residence for parish priests.

Partnering with South Hills Catholic Academy over the past two years has brought great benefits to both the parish and school. The Academy benefits from the various pastoral services we provide to them, such as weekday Masses, Confessions, Eucharistic Adoration, etc.

For the parish, the Academy has driven an uptick in registrations, bolstered activity in the community and, perhaps most importantly, provided a means by which the Saint Winifred campus will remain aligned with the parish's mission for generations to come, and remain a vibrant Catholic institution. To put it simply, without the Academy, the parish's financial condition would necessitate selling the Saint Winifred campus to some other party, most likely a developer.

I welcome any questions you may have regarding our next steps. Please feel free to email me at [mcaridi@stpaulofthecross.com](mailto:mcaridi@stpaulofthecross.com) or call me at the parish office (412-531-5964).

Also, I will be available after the 10am Mass at Saint Anne's on Sunday, May 7th to meet with parishioners and clarify any questions you might have. The meeting will take place in Harkins Hall.

## **Easter Season Bulletin Cover-Picture Explained**

Saint Paul of the Cross told of a beautiful experience he had of Jesus crucified. While meditating on the Passion of Jesus, he remained in prayer at the foot of a large crucifix. He said, 'Lord, hide me in Your wounds, because I cannot stand without showing the sorrow.' Then the most holy Crucifix before which I was praying, detached His arm from the cross and embraced me closely, very closely and put me in His most holy Side where He held me for three hours, and it seemed to me that I was in paradise.' The picture reminds us that we also may take the same joy and comfort in the Crucified Christ as our patron.

### **REMINDER**

## Saint Vincent DePaul

In today's Gospel, we hear the story of the disciples on the road to Emmaus. When we reach out to those in need, we also walk with the risen Christ and recognize him in others.

During the period October 1, 2022 through March 31 2023, your generous gifts enabled Saint Paul of the Cross' Saint Vincent De Paul Society to bring the love and care of Jesus to 120 families (269 individuals) in our parish community providing \$17,732 in food, and \$39,938 for utilities, mortgages/rents, etc.

The "Fifth Sunday" next weekend offers an opportunity to bring the risen Christ's mercy, love, and compassion to those who are suffering in our community. Your gift to our neighbors in need gives witness to the Easter hope and joy available for all. Christ is RISEN in deed!

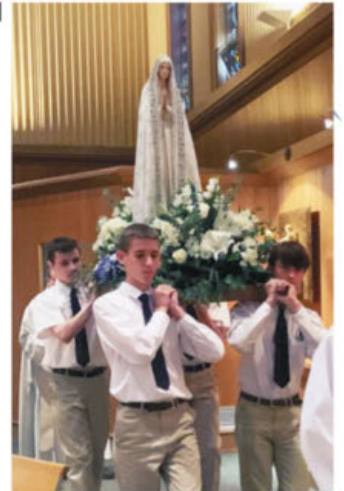

Please keep these families in your prayers.

Thank you! May God continue to bless you and your families.

## May Crowning: May 2nd

May Crowning is a traditional Roman Catholic ritual held during the month of May. At the close of a solemn procession, a statue of the Blessed Virgin is crowned with a garland or crown of flowers honoring Mary as "The Queen of May." The queen symbol is attributed to Mary because she was a perfect follower of Christ. She is the Mother of the Son of God, who is the Messianic King. The May Crowning gives the faithful, and in a special way, children, an opportunity to honor the Blessed Mother of Jesus and to give thanks to her for bringing our Savior into the world. Students of South Hills Catholic Academy will honor Mary with a May Crowning service in Saint Winifred church at 1:00 PM on Tuesday, May 2. All are welcome to attend.

## May 7th: First Sunday High School Night

High school students are invited to gather in the De Palma Room after the 6:00 PM mass for prayer and fellowship.

## Easter's Wake Up Call

It is common to splash water on our faces when we rise in the morning. The cool, wet shock on a sleepy face can get us going, awakening our senses and wash the sleep from our eyes. Startled from our half-sleep, we find ourselves more ready to face the day's tasks.

On Easter Sunday morning we experience a more joyful and solemn version of our daily morning splash, to remind us of the new life we celebrate. We gather together as the Church, perhaps still a bit tired from Lent's fasting, even a bit sleepy from Easter Vigil of the previous night. But just as the newly baptized are awakened from sin's sleep in flowing waters, we are doused with the same water that first roused us to life in Christ. By the sprinkling we are reminded of, and even startled by, who we are in Christ: God's adopted daughters and sons. Only then are we awake and ready to face the great task of baptized people: to gather around Christ's table and to give thanks and praise over gifts of bread and wine, to eat and drink of Christ's body and blood, and to go forth in service to the world.

Of course, it isn't enough to be "reawakened" on Easter Sunday alone. Indeed, every Sunday of Easter is a time to be sprinkled with the living waters, to be awakened once more to our Christian duty. And so we often begin our Sunday gatherings with the blessing and sprinkling of holy water, so that, as the Easter blessing of water says, it may "remind us of our baptism, and let us share the joy of all who have been baptized."

An *aspergillum* (or *aspergil*) is a liturgical implement used to sprinkle Holy Water. It comes in three forms: a freshly cut hyssop branch, a brush-like bundle that is dipped in the holy water and shaken, and a perforated, metal ball with a handle. Some have sponges or internal reservoirs that dispense holy water when shaken, while others must periodically be dipped in an *aspersorium* (holy water bucket or *situla*).

"Please tell Julie she was a rockstar this week with my 2 kids. They adore all of your instructors. Both kids enjoyed the activities and came home each day with new stories about the live video exercise games they played each day. My kids (and me) were nervous at first, but your staff was so supportive and made us all feel safe from day one. Thank you again." -Lisa V. (parent of campers age 4 and 6)

### Structure Challenge

Recently, Mrs. Pasquale's 6th-8th grade Thursday Elective Art students completed a challenge that links art, creative thinking, design, math, and science. For the activity, the students worked in pairs to see who could create the tallest freestanding structure using only the materials given. They were given 20 sticks of spaghetti, 1 yard of tape, 1 yard of string, and 1 large marshmallow that had to be placed at the top of the structure. Mrs. Pasquale said, "It was interesting to see how each group collaborated and approached the challenge to achieve the tallest structure. We may have some future engineers in the making!" Well done, 6th-8th graders!
