FROM THE PASTOR

What is a Parish?

Last October when the Steering Committee was formed to create a vision and plan for the merger of Saint Anne and Saint Winifred parishes into one new parish, I thought it would be helpful for the group to reflect upon what the Catholic Church teaches a parish should be.

So I went to the *Catechism of the Catholic Church* that provides a rather succinct definition:

A parish is a definite community of the Christian faithful established on a stable basis within a particular church.... It is the place where all the faithful can be gathered for the Sunday celebration of the Eucharist. The parish initiates the Christian people into the ordinary expression of the liturgical life: it gathers them together in celebration; it teaches Christ's saving doctrine; it practices the charity of the Lord in good works and brotherly love. (#2179)

Now, as is the case with any document from the Vatican, matters in this definition are prioritized in a descending hierarchical order. Therefore, we see that the Sunday celebration of Holy Eucharist and the liturgical life (i.e. the Sacraments) are what is most important for a parish. Secondly, the *Catechism* mentions the teaching mission of a parish. Thirdly, it speaks of charity in good works and, finally, brotherly love (i.e. fellowship).

Eucharist, Liturgy, and Prayer:

As we prepare for the establishment of Saint Paul of the Cross Parish on July 1st, it's important that our new parish reflects what the Church says it should be. Therefore, most importantly, we will be a community where the reverent celebration of Mass is the priority and where a robust prayer and devotional life is fostered. The thrust of all parish ministries, programs and organizations must be to lead people to the Eucharist and other sacraments in order to help them develop a lasting relationship with Christ.

Teaching:

Since "teaching Christ's saving doctrine" is the second priority the Church assigns a parish, this will be the second priority of our new parish. To that end, Saint Paul of the Cross Parish will support and sustain its own parochial school to serve parishioners, children beyond our borders and especially children on the margins. Adequate resources will be committed to ensuring the students of our school have everything they need to succeed.

Next, an innovative and creative Religious Education/Faith Formation program to impart the faith to the children of our parish attending non-Catholic schools will be established. This program will require attendance at weekly Mass.

(Continued above)

(Continued...)

Middle and High School Youth Ministry will be adequately funded and staffed so that once kids are confirmed, they will remain engaged in the Church. And quality Adult Education programs will become a regular staple of parish life.

Works of Charity

I think it's rather well known that both Saint Winifred and Saint Anne already have an impressive array of charitable outreach programs (e.g. the food pantry, St. Vincent de Paul societies, Lunches for the Hungry, Family Promise, bereavement, Alcoholics Anonymous, etc.).

Combining forces will enable our new parish to be even stronger in meeting the many needs that people have.

Fellowship

With the merging of two entities into one, the new Saint Paul of the Cross Parish should be able to provide plenty of social opportunities for everyone to grow in Christian friendship. As pastor, I'd be open to give a chance for any worthy idea to take root in the parish, and I believe that the parish should be willing to provide space and even some startup funding for new ways of creating fellowship.

In closing, with July 1st just around the corner, there's much to be done and many things to be pulled together. But if we keep in mind the Church's vision for what a parish is supposed to be, then we at least have the framework that will assist us in prioritizing and forming a successful Catholic community.

ORDINATION MASS

On Saturday, June 29 at 10am, Deacon Brendan Dawson will be ordained a Catholic Priest at Saint Paul Cathedral. Brendan served his pastoral year at Saint Anne's and has been a frequent visitor since he became a deacon.

A bus has been reserved to transport parishioners from Saint Anne to Saint Paul Cathedral and back on June 29. The bus will depart from Saint Anne Church at 8:30am and return at approximately 1pm. Please reserve your seat in advance with the parish office by calling (412) 531-5964 or emailing Rachel at rwanovich@staneparish.com. There are only a few seats left. A \$5 suggested donation will be taken to defer the cost of the bus on June 29th upon arrival.

INSTALLATION MASS

On Sunday, July 21st at 10am at Saint Winifred Church, Bishop David A. Zubik will install Father Michael Caridi as the Pastor of Saint Paul of the Cross Parish. All are invited and encouraged to attend. Stay tuned for more information in the coming weeks.

RESPECT LIFE

Spiritual Adoption: 1 Month

Much has happened in the past 4 weeks of our babies' growth and development! During this amazing month our baby is 10,000 times her size at conception! By the third week of this month, her tiny heart started to beat at a rate much faster than her mother's. Her arms, legs, eyes and ears have begun to form. She has already developed the foundations of her brain, spinal cord and nervous system. Her circulatory system had also formed and blood is pumping with each heartbeat. Our babies are most vulnerable to being aborted during the next month. Please pray each day that the Lord of Life might move the heart of her mother to give her the most precious gift of all - the gift of life.

Thank you

Thank you for your support of our Baby Bottle Campaign. Your generosity has been appreciated by so many in need. If you still have Baby Bottles, please return them to the office at your earliest convenience. Many thanks!
